---

Dear Students, Staff, & All Members of the SPF community,

On behalf of the entire Fanscotian staff, I would like to thank you for your continued support and interest in the paper. Normally, this would be the time during which we are distributing our final print issue of the year: the senior issue. This issue is meant to honor the graduating class through senior-based stories as well as the annual list of students' plans following high school. Unfortunately, due to the unprecedented circumstances of COVID-19, the Fanscotian had to switch gears and produce our final issue online instead. With that said, the staff has worked tirelessly to ensure that this issue provides the best possible content for our devoted readers. Throughout this school year, we have grown immensely as a staff in terms of writing, photography, design and most of all building a strong sense of family. We hope that this issue finds everyone well during these uncertain times and that you thoroughly enjoy the work that we have produced. Thank you again for your support and congratulations to the graduating class of 2020!

Sincerely,

*Julia Sassoon*

The Fanscotian
